

2004-2008 Timeline of CHCA Research and Communications on PATH

Updated February 2008

2004

February: Public Meeting with presentation on PATH by Commissioner Gale Waldorff.

March: Gale Waldorff reviews proposal with CHCA board members, leaves copy of map. 2004-2008 Board members bring copy of map to every annual meeting and many block parties. Updates sent to listserv.

November: Board of Commissioners approves [funding for Bike Trails between Medlock and Mason Mill Parks](#) and [Donation of an Easement located at the rear of 2176 Willivee Place](#)

2006

April: Board members meet with PATH Foundation

May: Board members bike the Arabia Mountain PATH

July: Board members meet with Commissioner Gale Walldorff and PATH director Ed McBrayer

Summer: CHCA Newsletter article on PATH

September: CHCA General Meeting on Transportation including PATH

September: Board organizes a walk through of route with Commissioner Gale Waldorff, submits list of questions, concerns and requests including formation of an oversight committee. Waldorff responds with info, approval of oversight committee, and arranges a tour of water works with relevant county officials to get them to clean it up. Summary update sent to CHCA listserv.

September: Board sends letter to county to support property owner in negotiations.

2007

May: Commissioner Rader attends annual meeting and takes questions.

August: First meeting of oversight committee consisting eventually of members of Dekalb county, PATH, State Historical Preservation Commission, Medlock Park Task Force, MANA, CHCA and Heritage Hills.

2008

January: Commissioner Rader leads public meeting on PATH

February: Board and oversight committee members walk route with PATH and Commissioner Rader. Commissioner Rader walks route with 3Forks Alliance. CHCA distributes update flyer and creates page on website with links to geo-coded maps, documents and other sites.
